

CALL OUT FOR DANCE ARTISTS
A RESIDENCY TO MAKE WORK, CO- CREATE + PERFROM WORK
LONDON
SEPTEMBER/ OCTOBER 2015

STP Collective is looking for 1 or 2 young artists under 30 years of age to make work alongside a collective of experienced dance practitioners. This work can be solo or jointly with other dancers from the core collective. In return you will contribute to other people's creation by contributing to R&D and potentially by performing it as well.

We offer you: Space during three days during September and October to train and practice. You can work with us for either or both of those months. We will share processes by witnessing, talking and doing, undoing and redoing. The made pieces, finished or work in progress, will accumulate into evening events.

What we need from you: You need to be a maker and performer. Full commitment to all the dates of either or both periods . You can start from scratch or expand on existing work. You will be at ease working with an array of techniques, ranging from improvisation, to release technique, to dance theatre and voice work. There is a one off fee of £15 for one month or £30 for two months.

These are the dates for September 10-2pm
7/8 (voluntary) /9/10/15/16/17/22/23/24/29/30 & 1.10.
Performance date tbc

These are the dates for October 10-2pm
